

Malvern Community Forest

Annual General Meeting, 16th September 2020

Nomination of Management Team Members for 2020-2021

There is no requirement under the Constitution for Management Team members to be elected. However, the Trustees have adopted the same practice for these positions as for being a Trustee, namely, Management Team members elected at the 2019 Annual General Meeting (AGM) serve until the 2020 AGM, and are then eligible for re-election. Retiring Management Team members willing to stand for re-election can be found in Appendix 1. Other members may also be nominated. If there are two or more nominations for these posts, a vote may be carried out, but it is possible for there to be joint post holders, e.g. Joint Co-ordinators of Abundance.

All proposers, seconders and nominees must be members of Malvern Community Forest whose subscriptions are up-to-date, and nominations will only be accepted once this has been confirmed. All nominations must be received by the Chair before 5:00 pm on 11th September, 2020 (see Note 3 below).
